

From Manager to Remarkable Leader

The current workplace poses an ever-growing number of challenges for today's leaders: there's more to be done with fewer people to get it all done; employees are staying for less time and there's more turnover; the pace is hectic and everyone is frazzled. Yet this is the real world that you must operate in, and as the leader, it's still your job to deliver results despite of it.

The *"From Manager to Remarkable Leader"* workshop teaches timeless and proven leadership principles and provides a personal framework that you can take back and implement in your own organization to immediately impact your results and your success.

KEY TAKE-AWAYS FROM THE WORKSHOP

- The Three O Model of Leadership and how it will significantly impact your success
- Five habits of continual learners and why they matter to me as a leader

WORKSHOP FORMAT

"From Manager to Remarkable Leader" is NOT a one-way lecture. No one learns in a passive lecture. The workshop is a two-day, instructor-led, interactive and fun learning experience where you will get the chance to practice the new skills you learn with other classmates and the facilitator. You'll have the opportunity to discuss your unique situations and challenges and together, you'll build processes that you can use and apply back in the real world when you return from the event.
